

AUSTRALIAN
Quarter Horse
ASSOCIATION

Carol Ricketts

I have been involved with horses for the last 40 years and have taken an active role in the Show Horse industry over that time. I have bred horses and my family has shown horses mainly in the western equine disciplines.

I became a Director and then President of the AAA Ltd back in the early days of my show interests.

I have held positions on quite a few Clubs that ran shows, for all types of horse breeds, especially the NPHA for a period of 15 years.

I was fortunate to hold the role of General Manager at the AQHA for 8 years from August 2008 to August 2016 when I retired and moved to Cairns QLD.

IT'S IN OUR BLOOD.
