I have been a director of AQHA over the last 8 years, and have been your President held the Stud Book portfolio , Youth portfolio for many years and international director representing You as the member all over the world with many phone meetings to keep us abreast of all that is happening world wide .

I have been in AQHA for some 39 yrs and I'm passionate about our Quarter Horse and all facets of our industry.

My husband Fred and I live on our property at Locksley, Victoria, where we run a Breeding Farm and Quarter Horse stud, on 200 ac. We have three grown Children, two are heavenly involved in our Quarter Horse industry, one in Pleasure industry as a trainer and breeder, the other in the cutting industry as a rider and breeder; we are very proud of all of them . And now we are the proud Grandparents of 4 grandsons, that are all amazing.

For the future for AQHA I see so much positive diversification into all areas that QUARTER Horses are competing in I'm happy and privileged to be part of it

IT'S IN OUR BLOOD.
